Campus Hazing Transparency Report Indiana University of Pennsylvania January 1, 2025

January 1, 2020 through December 31, 2024

Subject of Report	Date of allegation(s)	Date University notified	Date of investigation	Description	Date of finding	Date organization notified
Alpha Sgma Alpha Sorority, Alpha Gamma Chapter	02/11/2024	03/04/2024	03/08/2024	The University received an anonymous report that Alpha Sgma Alpha, Alpha Gamma Chapter members were forcing potential new members to run errands for current members and pay, providing alcohol to potential new members and requiring them to consume it, zip-tying potential new members to their dates until they consumed alcohol, and forcing potential new members to clean the apartments of current members. This was investigated by the Indiana Borough Police Department, Indiana University of Pennsylvania, and Alpha Sgma Alpha national sorority. Individual members and the organization were found to have engaged in hazing. Penalties imposed: Members of the organization who engaged in hazing were removed from the chapter. The organization was placed on social probation through May of 2025 and is required to work closely with the national organization and the university to develop improved new member processes and risk management strategies.	04/22/2024	04/22/2024
Gub	10/05/2023	09/16/2024	09/17/2024	members were required to wear white t-shirts for other team members to	11/01/2024	11/01/2024
Soccer Teams				write on, perform wall sits, and consume small amounts of alcohol. An investigation was conducted and both organizations admitted to all of the alleged activity. New members and existing members all admitted that the activities were not required and there were some new members who chose not to engage in the alleged activities. The University determined that the alleged activity was hazing due to the presence of non-customary activity and the pressure new members felt to participate in it. Penalties imposed: Both organizations are placed on a two-year probation and were required to engage in anti-hazing educational activities with the
